Elizabeth reported she is available if any Club is still in need of establishing 501 ©(3) status, she is available to help and can tell where to get forms.

Will be filing tax report for the League.

There have been more bounced checks this year from classes. It was discussed if maybe the Club should be paid the fee and then write a check to the League for the class. No decision yet on how to handle.

REGISTRAR'S REPORT:

We are in the Laminating phase

The Registrar has to approve each and every individual, if the system says pending on someone it is because there is some type of information missing or not enough players on the team yet

Team seeding forms – due two weeks ago and we are still collecting, they are not all handed in. **These are needed** and are mostly used “behind the scenes”.

Minimum players to have signed up: Can't have less than 7 or more than 18 registered at a time to be set up.
