SYSL Board Meeting

Tuesday, September 9, 2014

CALL TO ORDER:

Meeting called to order at 7:38

ROLL CALL:

Boca hosted. Absent: Clarksburg, River Park, Southgate, Valley Hi

APPROVAL OF MINUTES:

Motion to approve made by Greenhaven, seconded by West Sac.

Motion passed unanimously.

FIRST VICE REPORT:

No red cards first week of season in Rec.

HEAD COACH REPORT:

We still need a Head Coach! Nothing else to report.

HEAD REFEREE REPORT:

Issues from first week: Tell your Head Referees to inform their referees to be courteous, respectful, and kind...to not come on too strong. Referees need to wear the proper uniform and their current patch. U14s will use three referee system and it's highly recommended for U12s too. U10 and U8 only need two. Visitors from CNRA should start showing up by Week 4.

TREASURER'S REPORT:

We are still missing payments from Clubs for Fingerprinting.

We are looking to get proposals from three different accountants/firms to handle our account.

REGISTRAR'S REPORT:

The last two weeks before the start of the season, there were still 50 teams that needed to be activated and player passes printed. These should be ready for Aug 1, NOT September 1!

Suggestion was made that Clubs do their own batch laminations next year.

We need to come up with a better way for next year!

SECRETARY'S REPORT

Fruitridge will host the October meeting. Location TBD.

PRESIDENT'S REPORT:

District 6 meeting:

There are lots of complaints about Affinity! USSF is suggesting that we not teach heading to U12s and below.

Tournaments: they are working on Scheduling. Let your Coaches know about Soccerfest.
There is a new Substitution rule in effect in some of D6. You can substitute if the other team subs.
This is not in effect for SYSL because not in our playing rules (but can be changed for next year)

COMMITTEE REPORT:

CCSL updates:

A Southgate team didn't register for CCSL and luckily they were able to make room for them in CPL. Clubs/teams need to follow rules and guidelines.

If you have a team getting crushed after two games, contact Bruce.

Seeding Committee/Scheduling

Each division is now setup to do auto coach scoring. Each coach is sent an email after the game to report their scores. This email contains a link that takes them to a page to input their scores. If they don't report the score, they are sent a second request 1 day after the first request. If they still haven't reported the score, they are sent a third request 1 day after the second request. If after the third request is sent and only one score is posted, the score will automatically be accepted one day later. As long as you have emails for your coaches, they will receive the auto coach scoring email.

Have Coaches recheck their schedules...there may have been some changes.

OLD BUSINESS:

NEW BUSINESS:

Marlene will talk to Bill Norris about status of District Cup applications. There was a problem last year about some getting lost.

Sac Parks and Recreation – Get those long term applications turned in by Sept 18!

GOOD OF GAME:

To Jennifer Neuner for all of her hard work getting SYSL registration done!

ADJOURNMENT:

Motion to adjourn made by Land Park, seconded by West Sac.
