ROLL CALL:

Dixon hosted at Dixon Senior Center

FIRST VICE REPORT:

Shandi reported on how many sportsmanship letters were sent out

HEAD COACH REPORT:

No report

HEAD REFEREE REPORT:

If a player gets a red card and no report was sent, no punishment is issued

Even if the referee thinks later that they shouldn't have given the red card, it still has to be filed.

There are reasons you don't want to do it, but it still has to be filed

Coaches should ask for actual game card and names of referees....

Referees have got to write reports when there are incidents on the field. Referees must start to toss out parents, get coaches name Referees should not be friendly with any sidelines

Referees should be doing the job they are being paid for, especially when it comes to writing all necessary reports

TREASURER'S REPORT:

SYSL is current on paying its bills.

Greenhaven asked for a complete budget. Charles will prepare a Balance statement for the next meeting.

REGISTRAR'S REPORT:

Jennifer sent out invoices for Nov. which covers up to Nov 1. Live Scan: SYSL pays for coaches up until Nov 1, and registered to a team If not assigned to a team, they will be invoiced.

We can continue to register coaches if needed and CCSL tournament teams can take on players. Transfers will be happening, transfer fees go to the team that is accepting the player

New registration program training is on Dec 10 in Sacramento, notices have been sent to all registrars.

There are other days in different districts. The training is not limited to registrars but open to anyone.

All league and club information from the 2016-2017 should be transferred to the new program.

OLD BUSINESS:

Old Business- Affiliation, club by club

Clarksburg needs to show up, be proactive, do her work, or move to another club

West Sac and Clarksburg have really late registration

Greenhaven feels that we need to start enforcing the rules like attendance. Wants to have single club affiliation,

West Sac and Clarksburg have a history of being late with Registration

Greenhaven doesn't remember why the idea of an impartial seeding idea did not get called for a vote

Seeding needs to be re-done- how will we be doing that?

Marlene will find out how other leagues do their schedules, and seeding, if they do

And find a way to make it easier for John and make it better for the kids
