### **PRESIDENT'S REPORT:**

Marlene Vega reported that the CYSA Annual General meeting will be held February 10<sup>th</sup> and 11<sup>th</sup>. With voting on the 11<sup>th</sup>. Coaches, club managers and board members all have votes. Beneficial for all of the clubs to participate. Fee increase proposed for \$1.25 per player. Cost of insurance administrative paperwork re: registration, and evaluate and propose an online registration option and cost. Per player cost is currently 11:25 per player 12:50 and it will be 21.50 passed onto the clubs. League fees are brought to this club in April. League fees are not anticipated this year so this is the only fee that would be passed on.

Michelle reported that one thing that will affect everyone is that the insurance company that we have will no longer carry leagues on their Directors and Officers policies. Current cost is roughly \$380 a year. This would cover your club from potential lawsuits.

Item would likely be placed in the April budget report and would need to be considered for approval at that time. Michelle will research the options and report back.

### **COMMITTEE REPORT:**

Michelle reported that winner and runner-up pins we sent out prior to Christmas. Only one change was made to the standings and the season ended on a positive note. If you have teams that change to Metro status will need to remain as a Metro team and will not for any reason be allowed to move to a class 4 - recreation team status.

Pins for 2007 will be designed by Woodland and designs should be brought to the SYSL Board by the May 2007 board meeting. The company will provide samples upon request.

Requirements include the capital building, soccer ball and year. Optionally the designing team may incorporate their club colors.

All park field requests should be submitted to Michelle ASAP.

**OLD BUSINESS:**

Top Soccer is currently running out of Placer. Anyone is able to participate. In addition, any person wishing to coordinate this within their league can contact TOP Soccer. The Top Soccer information can be found on the CYSA website.

**NEW BUSINESS:**

Marlene reported that any changes of uniform, design or color, must be presented to and approved by the SYSL Board. Club Managers should bring in a sample of their uniforms in April for review.

Several teams applied to play in Founders Cup but were not approved and have been wait-listed because paperwork and/or entry fees were missing or they were submitted after the deadline. All coaches have been contacted by the tournament coordinator.

The tournament list is available on May 1<sup>st</sup>. Metro Coaches should be prepared to apply immediately following the release of the list as they fill up quickly.

**GOOD OF GAME:**

The all-weather soccer field at Granite Park is complete. This field is equipped with lights.

The Sac United U16 girls team won the Irvine Harvest Cup.
