July 15 is when all Metro Teams should be turned in.

Emails have gone out to all registrars with lamination dates and who is hosting them.

Jennifer said that she had a question about U6 teams and are they required to be registered. All age groups are required to be registered for insurance purposes and all children should have a player pass.

Another question was asked about a child that has a disability and what do we do if a parent requests that they be put on a younger age group that they are supposed to be in. A Doctors note must be submitted to Marlene and it is then voted on at the SYSL meeting.

There was a CYSA Acceptance Form sent to all Registrars and must be completed and mailed back by June 1st. This form is to let them know who has access to the website. If this is not done, your registrars will not be able to log in to the website.
