"To eliminate scheduling conflicts and provide better service to youth leagues, Sacramento City Unified School District is hosting its first annual Fields First Scheduling Meeting on Friday, April 20. This meeting is an opportunity for youth sports leagues to schedule the use of SCUSD fields for summer and fall, pending availability. Please be advised that classification and rate changes are in the works for the 2012-13 school year that will likely affect all field users. In addition, SCUSD's use of the fields will take priority over outside organizations. To be eligible for field use, youth groups must bring certificates of insurance to this meeting and must agree to pay all applicable fees. Questions? Call (916) 264-4075."]
