There is no playback line in u10, 7v7. The goalie can punt the ball. All goal kicks are taken from the top of the box with attacking players 10 yards back.

Spectator lines need to be marked. Dog issue – there are no dogs allowed at game playing areas.

No Pass, No Play. Referees need to check both teams in. Coaches need to have game balls inflated, nets and corner flags up, and fields lined.

HEAD REFEREE REPORT:

Guest: Larry Svetich from District 6

Send off reports for CPL and CCSL need to go to Larry. In CPL, the referee pulls the player/coach pass and sends to Larry. Referees need to be currently registered.

Cal North/D6 concussion policies. www.calnorth.org Type in "concussion" in search and the protocols pop up. Every Coach needs to know that they are the first level of responsibility. The Coach has to fill out the paperwork. Referees are instructed to not let suspected player back into the game. There are two forms. One needs a signature and the other has a checklist of symptoms. For CPL/CCSL, the form comes with the player pass. The player doesn't get the pass back until Pete Zopfi signs off on it. The process is still in change mode.

There are changes in the Cup process, especially because of the birth year changes. Founder's Cup last weekend in October. There is a push for Rec teams to apply : u14, u16, and u19.
